Notice dated 26th July 1916.

The attention of the public is invited to the detailed notification published in pages 534 to 535 of Part IV of the *Mysore Gazette*, dated 27th July 1916, calling for tenders to reach by the 5th August 1916, for the supply of stationery articles as mentioned in the detailed notification for the use of the Forest subordinates of the Sagar Division.

M. VENKATANARASAPPA,
District Forest Officer.

BANGALORE CITY MUNICIPALITY.

NOTICE.

The unsold building sites in the 5th and 6th blocks of the Basavangudi Extension as per schedule hereto attached will be sold by public auction on Monday the 11th September 1916 and following days, commencing each day at 7-30 A.M. on the spot by the Honorary President or any officer deputed by him on this behalf. The Honorary President reserves to himself the right to accept or refuse any bid without assigning any reason.

1. The purchaser whose bid is accepted, shall deposit 25 per cent of the amount of his bid at once on the spot; and the balance shall be paid within 15 days from the date of sale, in default of which the deposit made by him will be forfeited and the site resold at the risk of the purchaser.

2. Where the auction purchaser is a Government official, the President may permit the price of the site with an interest of 10 per cent per annum being paid in monthly instalments not exceeding 18 in number. This concession may be extended to non-official purchasers also in case adequate collateral security is furnished by them. The deposit specified in para 1 shall be payable by officials and non-officials alike.

3. The purchaser shall, within 30 days from the date of the sale, before delivery of the site, be required to execute an agreement on an eight-anna stamp paper binding himself (*a*) to construct over the site a house according to a design to be approved by the Municipal Council within a period to be specified in the agreement. Such period shall not ordinarily exceed one year in the case of buildings, costing Rs. 3,000 and less, two years in the case of buildings of higher value, (*b*) to start construction within three months and (*c*) to enclose within a period of six months the site or sites purchased by him with a compound wall or a decent wire-fence of dimensions to be approved by the Municipal Council.

4. Failure to comply with the conditions agreed to by the party as abovementioned, will involve the resumption of the site by the President of the Municipality free of all encumbrances and without any claim to compensation.

5. The site which has been designed as a unit for the particular locality and shown in the plan will not be allowed to be split up into two or more house sites.

6. Not more than one main dwelling house will be permitted in each unit site described above.

7. A minimum width of 10 feet open space between the front compound wall and the building and a minimum width of 4 feet open space in each side of the main building will be insisted on.

8. No out-houses shall be permitted in the open space between the compound wall and the front plinth of the main building.

9. The out-houses such as kitchen, bath-room, coach-godowns, stables, latrines, etc., shall be built providing such facilities as the Municipality may advise for the escape of effluvia, smoke, etc., so as not to endanger the health of the main dwelling portion.

10. The President shall have the power of fixing generally, the type of frontages to be adopted for buildings on any particular street or road.

11. No room shall be less than 7 feet wide, not less than 8 feet long, not less than 8 feet high.

12. No material of a perishable or combustible nature shall be permitted in the construction of buildings.

13. The building shall be roofed with Mangalore tiles or terraced.

14. The levels of floor, baths, latrines and drain holes shall be fixed by the Municipality and proper cement-lined drains shall be constructed by the parties to lead off sullage and sewage from the premises into the Municipal drain or pipe line.

15. No pit shall be dug on the sites for earth for building purposes, all earth for building or raising the level of the floor, etc., shall be obtained from such places as may be directed by the President.

16. A final title-deed will be given to the purchaser, only after the building has been completed, complying with all the conditions above stated.

17. The description and dimensions of site noted in the schedule are to be treated as only approximate and subject to correction. The President reserves the right of selling or not selling any of the sites or of altering the dimensions. Sale of sites of any particular dimensions do not entitle the owners being exempted from the operation of the building bye-laws of the Municipality, relating to drain and road margins.

18. The plan of the sites to be auctioned will be hung up on the notice board in the Municipal Engineer's Office.

19. In the case of sites of less than 40 feet in width or less than 4,000 square feet of superficial area, the rules of open spaces noted in paras 8 and 9 will not apply, but the purchaser will be required to abide by such instructions as the Municipal Council may issue regarding them.

20. The Municipal Council will not bind themselves to supply stone, earth or other building facilities though such reasonable help as may be given, will not be withheld.

21. The Municipal Council will not bind themselves to recommend the supply of Electric light or water-supply service to any street unless half the number of sites in that street are built up.
